

March for Equality – Lobby Day Petition

We, the undersigned, believe that the time is **NOW** to vote on Senate Bill 10, the Religious Freedom and Marriage Fairness Act. As more and more Illinoisans support marriage equality, we believe that our state legislators should stand up and reflect a majority of Illinois residents and pass Senate Bill 10 now. We urge Illinois House Speaker Michael J. Madigan and House Republican Leader Jim Durkin to allow the bill to be voted on during the 2013 Fall Veto Session.
